

DefenseNews

Put your message in the hands of global defense decision-makers and opinion leaders.

Defense News is the standard for defense journalism with bureaus around the globe, editorial integrity and inside reporting. For you, this means *Defense News* provides the most prestigious and most reliable medium to communicate your marketing message.

Who will you reach through *Defense News*?

The world's senior defense decision-makers and opinion leaders turn to *Defense News* for independent, accurate, balanced reporting on the business, technology and politics of defense. Our BPA-audited circulation of more than 37,000 includes:

- Members of legislatures, the U.S. Congress, and parliaments worldwide
- Military headquarters and senior armed forces staff
- Worldwide procurement and R&D commands
- Global defense manufacturing and services industry executives
- NATO, GCC, ASEAN and key diplomatic establishments
- Defense and aerospace financial analysts
- Worldwide press corps, research and advocacy organizations

DefenseNews.com is an efficient way to get your message online, with breaking news and email newsletters including our popular *Early Bird Brief*, *Defense News This Week*, and *Defense News Daily Roundup*.

No one does trade shows like *Defense News*.

We can offer you bonus distribution and customized advertising opportunities to deliver your message at defense industry trade shows and events around the world.
