

C⁴ISR

THE JOURNAL OF NET-CENTRIC WARFARE

Highly targeted and cost-effective, *C4ISR Journal* gives your advertising the impact you want.

C4ISR – The Journal of Net-Centric Warfare offers a detailed review of the programs, technologies and tactics supporting situational awareness, targeting and strike warfare, and how these critical areas of development affect military plans, strategy and preparedness.

C4ISR Journal is part of the Defense News Media Group, drawing upon the expertise and resources of the world's largest publisher of professional defense periodicals.

Who will you reach through *C4ISR Journal*?

C4ISR Journal has a global, BPA-audited circulation of more than 16,000 command, program, procurement and industry decision-makers involved with network-centric warfare:

- Senior military and government leaders worldwide who define C4ISR requirements and shape strike warfare issues
- C4ISR planning, procurement and program offices
- Specialized military C4ISR and strike warfare commands, departments, agencies and staff
- Military space commands, departments, agencies and staff
- Top C4ISR industry executives
- Research and press organizations

C4ISRJournal.com, the companion website for the magazine, has a rapidly growing audience with a need to know about your organization's products and services. There is no better way to "get in their sights."
